DEPARTMENT SPOTLIGHT: LOW-INCOME PUBLIC HOUSING (LIPH) – BUILDING HOMES, STRENGTHENING COMMUNITIES

The Low-Income Public Housing (LIPH) Department at Wilmington Housing Authority manages more than 1,500 rental units across Wilmington, ensuring families have access to safe, quality, and affordable housing. From leasing and move-ins to inspections, maintenance coordination, and lease compliance, this team supports residents throughout every stage of their housing journey. Their work goes far beyond property management, by collaborating with other WHA departments and community partners, the LIPH Team connects families with vital resources to help them succeed and thrive.

What makes this team's work so meaningful is the daily impact they have on people's lives. As one team member expressed, "We don't just hand over keys, we build connections." Whether it's welcoming a family into their first home, watching children grow up in WHA communities, or seeing multiple generations return for housing support, the LIPH Team takes pride in turning houses into real homes. Every day brings new opportunities to foster stability, strengthen neighborhoods, and ensure that residents feel supported. Their efforts reflect WHA's mission of not just providing housing, but creating environments where families and communities can thrive.

The LIPH Department is led by Director of Housing Sandi Rosmini (affectionately known as "The Queen") and District Manager LeKeisha N. Watson, with an outstanding team of Housing Managers, Assistant Managers, Clerical Support Staff, and Leasing Staff. Together—Jawana Patton, Shani Paul, Autumn Gunter, Yvette Logan, Tracey Childress, Patricia Stewart, Linda McCray, Samonda Turner, Kareemah Banks, Rhonda Johnson-Smith, Juane Garlic, Tara Costill, Zahir Reed, Lakesha Martin, Annette Brown, and Theresa Watson-Land—they form the backbone of WHA's LIPH operations. Their combined expertise, dedication, and compassion ensure that residents not only have a place to live but also a place to belong.

WHA EXECUTIVE DIRECTOR RAY FITZGERALD JOINS STATEWIDE CONVERSATION ON HOUSING CHALLENGES

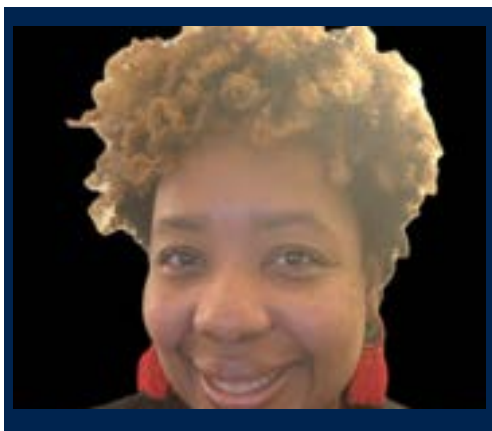

Wilmington Housing Authority (WHA) Executive Director, Ray Fitzgerald, served as a distinguished panelist at the Homelessness in Delaware Conference held on Thursday, August 14, 2025, in Newark, DE. The conference, hosted by the Center for Community Research and Service and the Institute of Public Administration, brought together leaders from across the state to discuss collaborative approaches to addressing housing instability. During the panel discussion, "Challenges in Securing Housing," Fitzgerald highlighted the comprehensive strategies WHA and its non-profit affiliate, Delaware Affordable Housing Group (DAHG), have implemented to assist Wilmington residents in locating, maintaining, and purchasing homes. He emphasized the value of cross-sector partnerships among government agencies, private organizations, and community-based entities in expanding housing access and improving long-term stability for individuals and families.

Pictured Above: Ray Fitzgerald

Fitzgerald also discussed WHA and DAHG's continued commitment to innovation in housing initiatives, noting the success of DAHG's Premier Rapid Housing Placement Team (PRHPT)—a program that has helped over 300 households, many with Housing Choice Vouchers, secure housing over the past three years. Both organizations are expanding access not only to affordable rental housing but also to pathways for homeownership, helping residents prepare for and achieve full market-rate home purchases. Fitzgerald reinforced WHA's mission to provide safe, stable, and affordable housing while promoting self-sufficiency and community resilience. For more information on WHA's homeownership programs or housing placement assistance, call 302-427-6701.

At Wilmington Housing Authority (WHA), we know that housing is just the beginning. Our Family Self-Sufficiency (FSS) Program is designed to give residents the tools, resources, and support they need to achieve their goals and create brighter futures for themselves and their families.

The FSS Program links Housing Choice Voucher (HCV) and Low-Income Public Housing participants to a wide range of supportive services that help residents gain financial stability, pursue career opportunities, and work toward long-term self-sufficiency.

HOW THE FSS PROGRAM WORKS

When you enroll in FSS, you'll partner with a dedicated Service Coordinator who will help you create an action plan tailored to your goals. Along the way, you'll have access to services and resources such as:

- **Job Readiness Support** – Resume assistance, interview prep, and soft skills training.
- **Financial Empowerment** – Credit repair, money management strategies, and financial coaching.
- **Education and Training** – Opportunities to continue your education or pursue certifications.
- **Homeownership Preparation** – Guidance and resources for residents who aspire to purchase a home.
- **Referrals to Community Services** – Access to a strong network of partner agencies and programs.

One of the most powerful features of the FSS Program is the escrow savings account. As your earned income increases, funds are set aside in this account—helping you build real savings as you work toward self-sufficiency. Upon successful completion of your FSS goals, you receive the escrow funds you've built.

MEET YOUR FSS TEAM

The FSS Program is led by a team of dedicated coordinators who are here to support you every step of the way:

- **Shanitha Gray** – Acting Supervisor of Service Coordinators
- **Nakia Wallace** – Service Coordinator

EMPOWERMENT FAIR 2025 BRINGS RESOURCES, FUN, AND COMMUNITY TOGETHER

The Wilmington Housing Authority proudly hosted the 2025 Empowerment Fair on Friday, August 15, 2025, at Crestview Apartments. With the support of more than 30 vendors and over 90 attendees, the fair once again proved to be one of WHA's most impactful resident-focused events. Resources, entertainment, and fellowship came together to benefit not only WHA residents but also neighbors and the surrounding community. The day featured lively music from Tru Blue Productions, energizing dancing, and plenty of opportunities for attendees to connect with services that promote self-sufficiency and wellness.

Pictured Above: Attendees and Vendors

A very special congratulations goes to Jamila Jones, who successfully led this year's event, securing over \$5,000 in sponsorships to make the day possible. We extend heartfelt thanks to our generous sponsor partners: Woodlawn Trustees, Rom Properties, Always Best Care, Kingswood - The WRK Group, Bernie's Water Ice, and Pete's Pizza. Attendees were also treated to outstanding food courtesy of our Grill Masters; Ray Fitzgerald, WHA Executive Director, and Patrick Conaway, WHA Resident, who served meals with skill and heart.

While Resident Services led the planning, the event's success was truly a teamwide achievement. From the unseen but essential work of Tyrone and the Maintenance team, to the dedication of our drivers, Willie and Mr. Gregory, to the welcoming artistry of Rhonda's balloon arch, every contribution mattered. We were also fortunate to have assistance from our workforce development interns, who gained valuable experience supporting a large-scale community initiative. Together, we delivered meaningful resources while creating a day of joy, laughter, and connection. Congratulations to the entire WHA team for making Empowerment Fair 2025 another remarkable success!

CELEBRATING NATIONAL LITERACY MONTH

September marks National Literacy Month, a time to recognize the power of reading, writing, and lifelong learning. Literacy is more than a skill, it is a foundation for independence, confidence, and opportunity. Whether it is reading to a child, completing a job application, or managing finances, literacy touches every part of daily life. At Wilmington Housing Authority, we honor this month by emphasizing the role literacy plays in supporting families on their journey toward self-sufficiency and long-term success.

When residents strengthen their literacy skills, they open the door to new opportunities for employment, education, and personal growth. Literacy builds the ability to advocate for oneself, navigate community resources, and make informed decisions for the future. As we celebrate National Literacy Month, we encourage all residents and partners to continue promoting a culture of learning. Together, we can ensure that every individual—regardless of age—has the tools they need to write their own story of success.

PARTNERSHIP SPOTLIGHT: DAMIAN WING, W REAL ESTATE & DEVELOPMENT GROUP

Pictured Above: *Damian Wing*

Wilmington Housing Authority is proud to highlight developer partner Damian Wing, CEO of W Real Estate & Development Group, whose work is bringing new affordable housing opportunities to Wilmington families. A Wilmington native with a background in finance, Damian began flipping homes five years ago and quickly turned his focus toward creating high-quality, affordable housing. Inspired by his own experiences growing up in the city, Damian is committed to ensuring families have safe, well-built homes they can be proud of and pass along to family members.

Damian has been a long-time partner of WHA for over a decade, beginning his relationship with the agency through Resident Services in his role as a lender. Alongside realtor Sharon Stewart, he co-hosted WHA's monthly Homeownership Workshops, helping residents prepare for homeownership and build financial confidence. This commitment to empowering families through education and opportunity laid the foundation for his later development work with WHA.

Through these partnerships, Damian has completed projects such as the three new construction homes on Bennett Street and the 17-townhome McMullen Square community. His attention to quality and his passion for giving back have helped transform once-blighted areas into vibrant neighborhoods. "The most rewarding part is seeing families go to settlement and watching their excitement as they begin a new chapter," Damian shared.

Damian also gives back through his nonprofit, Wings of Love, which empowers the community through outreach and support. WHA celebrates his dedication and partnership in advancing our mission to expand affordable housing opportunities and strengthen communities across Wilmington.
