- Three (3) meals daily
- Weekly housekeeping and maintenance
- 24-hour Security
- Life Alert Pendant
- All Utilities
- Social & Recreational Programs
- Social Services

For more information, contact Renata Maslowski at (302) 575-0250 ext. 2245.

WHA WORKFORCE DEVELOPMENT PREPARES STUDENTS FOR CAREERS THROUGH SUMMER LEAD ABATEMENT PROGRAM

Wilmington Housing Authority's Workforce Development Program continues to create pathways that connect education, hands-on learning, and career opportunities for young people in our community. This summer, WHA successfully onboarded 14 students from Howard High School for an intensive four-week Lead Abatement training program. Led by WHA Workforce Development Coordinator Marvin Harris, the initiative was made possible through collaboration with Rock Solid Inc., a WHA business partner; Darryl Chambers of the University of Delaware; Jamai Robinson of the New Castle County Vocational Technical School District; Canaan Baptist Church of New Castle County; and Access Training Co. Together, these partners provided students with a combination of classroom instruction and practical experience designed to introduce them to career opportunities within the construction and environmental safety industries.

Throughout the program, students received training in areas that can prepare them to pursue valuable industry certifications, including Lead Worker Housing/Public Buildings, Asbestos Operations and Maintenance, Dust Sampling Technician, Certified Lead Renovator, Hazardous Waste Operations, OSHA 30-Hour, Confined Space Entry, Bloodborne Pathogens, Lockout/Tagout, Lead in Construction, and Mold Worker. Beyond technical instruction, the program emphasized professionalism, workplace readiness, safety, and the importance of continued education. WHA staff were especially impressed by the students' maturity, professionalism, and positive interactions with their peers, instructors, and program partners.

The Summer Lead Abatement Program reflects WHA's broader commitment to helping young people build skills that can lead to sustainable careers and greater economic self-sufficiency. Students were encouraged to continue their education following high school graduation, while those interested in entering the workforce will have an opportunity to return to WHA's Lead Abatement Program and pursue employment opportunities with participating construction vendors. WHA extends its appreciation to Howard High School and each of its community, education, and business partners for investing in the next generation of skilled professionals and looks forward to continuing partnerships that create meaningful pathways from the classroom to the workforce.

Those interested in partnering with or participating in Lead Abatement workforce development email wsouthall@whadelaware.org or call 302-647-9549.

WHA COLOR WARS BRINGS TEAMS TOGETHER FOR AN AFTERNOON OF FUN

On July 24, 2026, Wilmington Housing Authority (WHA) team members gathered at Banning Park for the Color Wars BBQ, an afternoon dedicated to team building, friendly competition and fellowship. The event brought together staff from Low-Income Public Housing (LIPH), Housing Choice Voucher (HCV) and Maintenance, providing an opportunity to connect outside of the workplace while enjoying games including tug-of-war, kickball, a three-legged race, UNO and bean bag toss. The friendly competition brought plenty of energy, laughter and team spirit throughout the afternoon.

The BBQ also featured great food, with WHA Executive Director Ray Fitzgerald stepping in as Grill Master and preparing food for the team. More importantly, the event gave employees from across departments an opportunity to strengthen relationships, build camaraderie and enjoy time together beyond their day-to-day responsibilities.

Events such as Color Wars reinforce the importance of teamwork and collaboration across WHA. While each department plays a different role in serving residents and advancing the organization's work, everyone contributes to the same mission of providing quality housing opportunities and strengthening the communities WHA serves. The positive energy and participation throughout the Color Wars BBQ made the event a memorable celebration of the people behind WHA's mission.

CONNECTING RESIDENTS TO RESOURCES THROUGH COMMUNITY PARTNERSHIPS

Wilmington Housing Authority's Resident Services team continues to strengthen partnerships that connect residents with convenient access to information, services, and resources that support their quality of life and self-sufficiency. On July 31, Resident Services welcomed AT&T to Crestview Apartments for an on-site informational presentation. Residents had the opportunity to learn about available services, ask questions, explore options that best met their needs, and, for those interested, enroll in television plans. Bringing service providers directly into WHA communities helps make information and resources more accessible to residents.

WHA believes in the power of partnerships to help address the diverse needs of the residents and families we serve. Through the coordination of Resident Services, community organizations and service providers regularly visit WHA properties to share information, provide resources, and connect residents with opportunities that can contribute to greater stability and independence. Residents are encouraged to attend the weekly presentations hosted on-site throughout WHA communities and to contact the Resident Services team for assistance connecting to programs, resources, and supportive services that can help them achieve or maintain self-sufficiency.

Pictured Above: Residents Considering Offerings

For more information on assistance with self-sufficiency, contact Resident Services at residentservices@whadelaware.org.

WHA EXPANDS ITS DIGITAL PRESENCE WITH LINKEDIN

The Wilmington Housing Authority (WHA) is pleased to announce the launch of its official LinkedIn page, providing another way for residents, community partners, stakeholders, professionals, and supporters to stay connected with the work happening across our organization. Through LinkedIn, WHA will share housing and development updates, resident resources, workforce initiatives, community partnerships, staff highlights, organizational news, and accomplishments that demonstrate our continued commitment to strengthening communities and creating pathways to opportunity.

We invite you to follow the Wilmington Housing Authority on LinkedIn and help us expand our reach by liking, commenting on, and sharing our posts. Your engagement helps amplify WHA's programs, partnerships, accomplishments, and the dedicated work taking place every day to serve Wilmington residents. Follow us today and stay connected as we continue to share the people, partnerships, and progress that move our communities forward.

RESIDENT SERVICES REPRESENTS WHA AT 2026 NAHRO SUMMER SYMPOSIUM

The Wilmington Housing Authority's Resident Services Department was proud to have Shanitha Gray and Des Castro represent WHA at the 2026 National Association of Housing and Redevelopment Officials (NAHRO) Summer Symposium in Nashville, Tennessee.

The symposium brought together housing professionals from across the country to exchange ideas, share innovative practices, and explore new approaches to strengthening resident services. Throughout the conference, attendees participated in educational sessions focused on resident engagement, workforce development, youth programming, communications, homeless initiatives, and building stronger community partnerships. One of the conference's strongest

messages was the value of collaboration. Session after session reinforced that the most successful housing authorities work alongside employers, schools, healthcare providers, nonprofit organizations, and community partners to create lasting opportunities for residents.

Among the highlights was a keynote presentation by economist Raj Chetty, who discussed expanding career pathways for young people through employer partnerships. Additional sessions explore youth leadership, financial literacy, mentorship, media relations, community engagement strategies, and innovative ways to connect residents with valuable resources and services.

Shanitha and Des also had the opportunity to network with housing professionals from across the country, learning how agencies of all sizes are increasing resident participation, strengthening community partnerships, and developing programs that empower families toward self-sufficiency.

The knowledge gained during the symposium will help support several Resident Services initiatives, including:

- Expanding career exploration and workforce development opportunities for youth and adult residents.
- Strengthening partnerships with employers, educational institutions, and community organizations.
- Enhancing resident engagement through innovative outreach and communication strategies.
- Exploring new mentorship and leadership opportunities for youth.
- Identifying best practices from housing authorities across the country to strengthen WHA programs and services.

Reflecting on the experience, both staff members agreed that the symposium provided valuable ideas, practical resources, and renewed inspiration that they are excited to bring back to Wilmington Housing Authority.

Resident Services extends its sincere appreciation to WHA leadership for investing in professional development opportunities that allow staff to continue learning, growing, and bringing innovative ideas back to better serve our residents and communities.

BEYOND HOUSING: HELPING A FAMILY REBUILD

The Wilmington Housing Authority (WHA) proudly recognizes the dedication of Orlando Foreman, a member of the Delaware Affordable Housing Group's Premier Rapid Housing Placement Team (PRHPT), whose commitment to serving families extends well beyond locating a place to live. In May, Orlando received a referral from WHA's Moves Unit for Ms. Ramirez, who had lost her home due to a fire. Understanding the urgency of the family's situation, Orlando immediately began working to identify safe and affordable housing and successfully secured a unit for the family. His support did not end there. Recognizing that a new home also required the basic necessities to begin rebuilding, Orlando worked to locate beds and furniture for the

family's new residence. PRHPT Supervisor Wayne Jefferson praised his team member's efforts, sharing, "This is a true testament of the hard work and case management that the Premier Rapid Housing Placement Team offers. Thank you 'O' for all that you do." Orlando's compassion, responsiveness, and determination demonstrate the important role DAHG's Premier Rapid Housing Placement Team plays in helping families navigate housing crises and move toward renewed stability. Congratulations and thank you to Orlando for going above and beyond to help another family find not only housing, but a place where they can begin rebuilding their lives.

Those in need of placement assistance, interested community partners and landlords can reach the team by calling 302-429-6701 or email dahgresource@whadelaware.org. Those interested in partnering with or participating in Lead Abatement workforce development email wsouthall@whadelaware.org or call 302-647-9549.

A COMMITMENT TO HOUSING SUCCESS

The Delaware Affordable Housing Group (DAHG) proudly recognizes Wayne Jefferson, Premier Rapid Housing Placement Team Supervisor, for his continued dedication and perseverance in helping families overcome housing barriers. After working with a client for nearly three weeks, a father of two young boys who held a State Rental Assistance Program (SRAP) voucher but had been unable to find a landlord willing to accept it, Wayne remained steadfast in his efforts, contacting landlord after landlord until he successfully secured safe, affordable housing that met the family's needs. Reflecting on the experience, Wayne shared, "I have been working with this client for about three weeks; he was a walk in with a SRAP voucher that no landlord was willing to accept.

I continued to call landlords until I was able to find a landlord that would accept his voucher. I am so grateful I was able to assist this father of two boys with finding safe and affordable housing!" Wayne's determination exemplifies DAHG's mission to reduce homelessness by connecting individuals and families with stable housing opportunities. Congratulations to Wayne on yet another successful housing placement and for making a lasting difference in the lives of this family through his unwavering commitment and compassionate service.

Those in need of placement assistance, interested community partners and landlords can reach the team by calling 302-429-6701 or email dahgresource@whadelaware.org. Those interested in partnering with or participating in Lead Abatement workforce development email wsouthall@whadelaware.org or call 302-647-9549.

PRHPT ADVANCES FAMILY HOUSING SOLUTIONS

In July 2026, our Premier Rapid Housing Placement Team (PRHPT) successfully housed over 25 families in safe, clean, and decent homes, despite the scarcity of affordable members in their commitment to Delawareans statewide with their resourceful efforts. July placements were primarily Wilmington Housing Authority (WHA) Housing Choice Vouchers as well as one Rapid Housing Voucher holders, and two self-pay households.

The Premier Rapid Housing Placement Team is dedicated to assisting individuals and families in Wilmington with housing placement. They offer services such as case management, barrier assistance, and rental navigation. Those in need of placement assistance can reach the team by calling 302-429-6701 or email dahgresource@whadelaware.org.

By partnering with landlords, the team helps clients find suitable affordable housing options. These collaborations benefit landlords by aiding in tenant recruitment, ensuring property inspections

meet safety standards, and facilitating secure monthly rental payments through a designated portal. To become a client or landlord partner, please contact 302-579-2925.

MCMULLEN SQUARE NEW CONSTRUCTION TOWNHOMES AVAILABLE FOR PURCHASE

The Delaware Affordable Housing Group (DAHG), introduces McMullen Square Townhomes, one of Wilmington's premier new construction communities. McMullen Square, located in Northeast neighborhood of Wilmington, DE, offers spacious, three-story townhomes with three bedrooms and 2.5 bathrooms. These newly constructed townhomes boast modern style and coveted amenities, including multi-level living, eat-in kitchens, rear decks, and an oversized garage. Close to schools, and minutes from Wilmington's Train Station, I-95 and I-495, McMullen Square, provides unparalleled convenience. Depending on the lot, the buyers will have the option of a one or two-car garage, allowing for interior customization to suit individual preferences. McMullen Square townhomes come in two primary layouts ranging from 1,767 to 1,982 square feet. For more details on McMullen Square, visit <https://delawareaffordablehousinggroup.com/mcmullen-square-townhomes>.

For further information on purchasing one of the McMullen Square townhomes, contact Gary Williams, Associate Broker at Berkshire Hathaway Home Services Fox & Roach Realtors at gary.williams@foxroach.com.
