WHA EMPOWERMENT FAIR CONNECTS RESIDENTS TO RESOURCES

On August 21, 2026, the Wilmington Housing Authority (WHA) hosted its annual Empowerment Fair, bringing residents, families, community partners and service providers together for a day centered on resources, opportunity and community connection. Hosted by WHA's Resident Services Department, the event welcomed more than 55 attendees and 32 vendors and community partners. Residents connected directly with organizations offering resources in employment and workforce development, education, health and wellness, financial empowerment, homeownership and other supportive services designed to help individuals and families work toward greater self-sufficiency.

In addition to valuable resources, the Empowerment Fair provided an enjoyable, family-friendly atmosphere with food, face painting, games, raffle prizes and vendor giveaways. WHA Resident Services team members were also available to share information about the Family Self-Sufficiency (FSS) Program, Resident Opportunity and Self-Sufficiency (ROSS) Program, homeownership resources and other programs available to support residents in achieving their personal and economic goals. A special thank you is extended to WHA CEO Ray Fitzgerald and Delaware Affordable Housing Group (DAHG) Vice President Vincent White, who fired up the grills and helped serve food, as well as the WHA and DAHG team members and volunteers who contributed their time and energy throughout the event.

WHA extends its sincere appreciation to the 32 vendors and community partners whose participation helped connect residents with important services, information and opportunities. Their continued partnership strengthens WHA's ability to provide residents with access to resources that support stability and self-sufficiency. WHA also thanks its dedicated team members, volunteers, residents and families who came together to make the 2026 Empowerment Fair a successful day of resources, food, fun and community. Events such as the Empowerment Fair demonstrate what can be accomplished when WHA, residents and community partners work together to create pathways to opportunity. WHA residents are encouraged to take the

next step by connecting with the Resident Services Department to learn more about available programs, resources and opportunities. Whether your goals include employment, education, financial stability, homeownership or greater self-sufficiency, the WHA team is here to help connect you with resources that can support your journey.

WHA WELCOMES ASH ZAMA AND MICHIALA BATSON

The Wilmington Housing Authority (WHA) is pleased to welcome Ash Zama and Michiala Batson to the WHA team. Both bring valuable professional experience to their respective departments and share a commitment to contributing their skills in support of WHA's work and the Wilmington community.

ASH ZAMA

Ash Zama joins WHA as Construction Project Manager in the Development Department, bringing a background in project management, construction and real estate. His experience includes supporting projects throughout the development process, from planning and execution through completion. Ash has a passion for development, problem-solving and creating lasting value through his work. Outside of the office, he enjoys fitness, continuous learning, and pursuing opportunities for personal and professional growth. Ash looks forward to getting to know his WHA colleagues, contributing to the organization and supporting efforts that positively impact the Wilmington community.

Pictured Above: Ash Zama

MICHIALA BATSON

Michiala Batson joins WHA as Senior Operations Accountant in the Finance Department. She brings experience in accounting, treasury operations, financial reporting, cash management and reconciliations, with a professional background supporting financial operations within the healthcare, insurance and financial services industries. Michiala is passionate about problem-solving, process improvement and using financial information to help organizations operate efficiently and make informed decisions. Outside of work, she enjoys traveling, fitness, trying new restaurants and spending time with her Yorkie, Louie. She looks forward to contributing to the Finance team and supporting WHA's mission of serving the Wilmington community. Please join us in welcoming Ash and Michiala to WHA and wishing them continued success as they begin their new roles. We are pleased to have them as part of the team!

CONNECTING THROUGH CARE: WHA WELLNESS CHECKS

Strong communities are built through connection and sometimes a simple phone call can make a meaningful difference.

The Wilmington Housing Authority's Wellness Checker Program provides scheduled wellness calls to participating senior residents, helping promote connection, safety, and overall well-being. These calls offer residents a regular point of contact while providing an additional layer of support within the WHA community.

The program is also a wonderful example of WHA and its residents working together to look out for one another. Wellness Checkers make daily calls to participating residents, check on their health and well-being, document each contact, and follow established procedures when a resident cannot be reached or a concern is identified. Through this shared effort, residents play an important role in helping their neighbors feel connected and supported.

Currently, 21 residents participate in the program, with 5 Wellness Checkers making daily calls. Since tracking began in June 2024, the program has completed more than 13,000 wellness calls, demonstrating the ongoing commitment behind this resident-centered initiative.

Special thanks go to the WHA Resident Services Department for managing and coordinating the Wellness Checker Program, maintaining procedures, supporting documentation and follow-up, and providing ongoing refresher training for Wellness Checkers. Just as importantly, thank you to the residents who volunteer their time each day to check in on their neighbors. Their consistent efforts help strengthen the sense of community that makes WHA more than a place to live, it helps make it a community where residents look out for one another.

Interested in Participating?

The Wellness Checker Program is free for WHA senior residents. If you are a senior resident who would appreciate a regular wellness check-in call—or if you are interested in becoming a Wellness Checker—contact WHA Resident Services:

Phone: 307-269-9126

Email: residentservices@whadelaware.org

Together, through a simple call and a caring connection, WHA residents are helping ensure their neighbors are doing well.

WHA SECURITY: SUPPORTING SAFE COMMUNITIES YEAR-ROUND

The Wilmington Housing Authority's Security Team works year-round to support the safety of WHA residents, staff and properties. Through property patrols, CCTV monitoring, visitor and access-control support, incident documentation and response to calls for service, the team provides an important layer of security across WHA communities. Security also works closely with WHA management, Maintenance, the Wilmington Police Department, Fire and EMS when additional assistance or emergency response is needed.

Residents play an important role in helping WHA identify and respond to security concerns. If you observe suspicious activity, unauthorized persons, visitor or access concerns, disturbances, health and welfare concerns, parking or property security issues, please contact WHA Security. For security-related calls or concerns after hours, call 302-429-6700. When reporting a concern, be prepared to provide the property or location, a brief description of what is happening, who may be involved if known, whether the situation is still active and any immediate safety concerns. For emergencies involving an immediate threat to life or safety, active violence, weapons, fire or a serious medical emergency, always call 911.

WHA continues to strengthen its security program and has seen encouraging improvements following an increase in security staffing, including reductions in several categories of reported security activity. Maintaining that progress requires continued communication and partnership with residents. If you see something concerning, please do not wait to report it. Prompt and accurate reporting gives the Security Team the information needed to assess concerns, identify patterns and respond appropriately. Together, WHA staff and residents can help support safer, more secure communities for everyone.

MAINTENANCE REQUESTS: HELPING WHA SERVE YOU

Keeping WHA homes safe, comfortable and well maintained is a shared priority. Residents are encouraged to report maintenance concerns as soon as they are noticed so the appropriate team can respond. For non-emergency maintenance requests, residents should call 302-429-6700 or submit a work order to their Housing Management Team by paper or email. Residents will receive a work order number, which allows WHA to track the request and follow up as needed. For a maintenance emergency after regular business hours, residents should also call 302-429-6700 for assistance.

WHA prioritizes requests based on the type and urgency of the concern. Health and safety issues are addressed within 24 hours, while routine work orders are resolved within 30 days. Residents can help the process by clearly explaining the concern, providing access when needed and keeping their work order number for reference. If a concern has not been resolved or additional assistance is needed, residents are encouraged to follow up rather than wait. Contact the WHA Call Center at 302-429-6700 and leave a message for Ms. Rosmini, or email srosmini@whadelaware.org and copy Ray Fitzgerald at rfitzgerald@whadelaware.org. Please include your work order number in all communications whenever possible.

WHA remains committed to providing residents with safe, quality housing and improving the maintenance experience. Staff are actively completing health and safety work orders, routine requests and property inspections, while WHA continues to monitor progress and address areas requiring additional attention. If you see a maintenance concern, please report it promptly, even if it appears small. Early reporting helps WHA respond appropriately, prevent concerns from becoming larger issues and work together with residents to maintain safe and welcoming communities.

RAPID PLACEMENT BRINGS STABILITY TO WILMINGTON FAMILY

The DAHG Premier Rapid Housing Placement Team (PRHPT) is celebrating another successful housing placement completed in August 2026, one that demonstrates the impact that responsive case management, strong leadership and community collaboration can have for a family in need. Under the leadership of Wayne Jefferson, PRHPT Supervisor, the team helped Ms. Sims, a mother of five who had been struggling to find safe and affordable housing, secure a home for her family within just two weeks of receiving the referral.

Ms. Sims was referred to the PRHPT by Councilman Alex Hackett, providing another example of how community connections can help families reach the resources they need. Once the referral was received, Wayne and the PRHPT moved quickly to identify an appropriate housing opportunity and help the family transition toward greater stability. For Ms. Sims and her five children, the placement represents much more than securing a unit, it provides a safe place to call home and a stronger foundation for the family's next chapter.

The successful placement also reflects the importance of the partnership between DAHG and the Wilmington Housing Authority (WHA). By connecting housing resources, referrals, community relationships and individualized support, the PRHPT works to reduce barriers that can make finding housing especially difficult for families experiencing housing instability. Wayne's leadership and the dedication of the entire team continue to demonstrate what can be accomplished when housing professionals and community partners work together with a shared goal: helping individuals and families move toward safe and stable housing.

Those in need of placement assistance, interested community partners and landlords can reach the team by calling 302-429-6701 or email dahgresource@whadelaware.org.

DRIVEN TO WIN FOR HOUSING

There is a positive competitive spirit fueling the Delaware Affordable Housing Group's (DAHG) Premier Rapid Housing Placement Team (PRHPT) and for team members, a "win" means helping another individual or family secure a safe and affordable place to call home. Team Supervisor Wayne Jefferson recently shared the determination of team member DeWaune Wesley after he secured his fourth housing placement of the month for a WHA Housing Choice Voucher holder. "HE WILL NOT BE DENIED!" Wesley declared after another successful placement. Jefferson describes Wesley as bringing positive energy and a competitive edge to the team that carries directly into his work with clients: he wants to win—and winning means getting clients housed.

Pictured Above: DeWaune Wesley.

That same determination is reflected throughout the PRHPT as team members work tirelessly alongside WHA's Housing Choice Voucher (Section 8) Department to assist voucher holders and members of the broader community. Whether clients connect with the team directly or through referrals from community partners, PRHPT approaches each housing search with one goal in mind: victory for the client. The team recognizes that many individuals arrive discouraged and exhausted by the challenges of locating safe, affordable housing, particularly in a competitive rental market. Through persistence, partnership and an encouraging spirit, PRHPT works to help clients remain hopeful throughout the process, reminding them that their housing search is not one they have to face alone.

Those in need of placement assistance, interested community partners and landlords can reach the team by calling 302-429-6701 or email dahgresource@whadelaware.org. Those interested in partnering with or participating in Lead Abatement workforce development email wsouthall@whadelaware.org or call 302-647-9549.

PRHPT ADVANCES FAMILY HOUSING SOLUTIONS

In August 2026, our Premier Rapid Housing Placement Team (PRHPT) successfully housed 15 families in safe, clean, and decent homes, despite the scarcity of affordable members in their commitment to Delawareans statewide with their resourceful efforts. August placements were Wilmington Housing Authority (WHA) Housing Choice Vouchers and self-pay households.

The Premier Rapid Housing Placement Team is dedicated to assisting individuals and families in Wilmington with housing placement. They offer services such as case management, barrier assistance, and rental navigation. Those in need of placement assistance can reach the team by calling 302-429-6701 or email dahgresource@whadelaware.org.

By partnering with landlords, the team helps clients find suitable affordable housing options. These collaborations benefit landlords by aiding in tenant recruitment, ensuring property inspections meet safety standards, and facilitating secure monthly rental payments through a designated portal. To become a client or landlord partner, please contact 302-579-2925.
